Ken Pollon and Tom White look over some of the fine stock on display at their St. Albert Sportshop.

## Local men open St. Albert Sportshop

Two well known St. Albert residents have opened the doors of a brand new business at 16 Perron Street. Ken Pollon and Tom White opened the St. Albert Sportshop last Friday. Official opening, with door prizes and many attractive specials in all departments, will take place September 16, 17 and 18.

Both men have great faith in the future of the town of St. Albert. "The town is expanding and we have a lot of confidence in its future, that's why we are here," says Ken Pollon, who will manage the attractive, well stocked Sportshop.

Mr. Pollon has a wide experience in sales and management; he held a

senior position with a well known Edmonton firm for over 16 years before embarking on this venture. He is a charter member of the St. Albert Kinsmen Club and for four years served on the Board of Stewards, United Church. He was active in cuts and scouts for a number of years.

A native of Winnipeg, Ken came to Edmonton as a child and he has been a home owner in St. Albert for the past eight years.

There are four youngsters in the Pollon family, Darryl, Cathy and 20 month old twins Angela and Andrea. Ken and Cassie and family live at 94 Salisbury Avenue.

Almost immediately after moving to St. Albert eight

years ago, Tom White started taking an active interest in the community. He served minor hockey for many years, both as a referee and coach. A past-president of the Kinsmen club, Mr. White has been a member of St. Albert town council for one year.

"We see a definite need for a business such as ours in St. Albert," he said, adding that St. Albert Sportshop will offer the people of the area quality equipment at competitive prices.

Mr. White was born and raised in Winnipeg and came to Edmonton in 1962, establishing his home in St. Albert the following year. He is the owner of Edmonton Valve and Fitting.

Tom and his wife Carole have three children, Cheryl, Mitchell and Lannie. The family makes their home at 24 Glenhaven Crescent.

The St. Albert Sportshop carries a complete line of all sports equipment, including everything for the fisherman, as well as figure skates, complete hockey equipment, tennis and badminton needs, football gear and soccer and basketball things. The Sportshop also carries a good selection of guns and a fine line of uniforms.

Store hours are 9 - 9 Monday through Friday. The Sportshop closes at 6 p.m. Saturdays. The telephone number is 599-5200 and local sportsmen Tom and Ken are looking forward to meeting the residents of St. Albert and district at their new Sportshop.

The big one that didn't get away . . . It isn't every fisherman who can back up those tall tales with such unquestionable proof! Eleven year old Scott Browne, 39 Balmoral Drive, proudly shows his prize catch. Scott landed the 16 pound, 40 inch jackfish, after quite a struggle, at Kildeer Beach, Lac La Nonne, while on a recent fishing trip, accompanied by his grandfather. The giant jack now occupies a place of honor in the family deep freeze.

## Council hears hockey proposals and discusses various items at meeting

The St. Albert hockey season got off to an early start last evening when town council spent considerable time hearing and discussing hockey proposals.

Rudy Schelbelhofer appeared before council on behalf of the St. Albert Comets. The club asked that the town review the arena rental rates in the hopes a compromise can be reached. The matter was referred to the finance and public works committees.

Still in sporting mood, council heard a proposal from Ron Yanosik, speaking on behalf of G. Leask and C. Drake, regarding the formation of a junior hockey league. The five or six team league would include one team from St. Albert, providing that ice time would be made available in the St. Albert Arena.

Speaking to his proposal, Mr. Yanosik said that juvenile hockey players have no place to go with the exception of the Oil Kings, "and not too many make it to that team. This would be a natural continuation," he said.

Arena manager Don Sinclair indicated that he would probably be able to work the

games in, but that the scheduling of practice times may cause some problems.

Councillor Russell felt that there was altogether too much "chit-chat" on this matter and that the arena manager should be able to work out proposals like this. His motion to refer the matter to staff was lost. Councillors felt that before staff could handle the matter, it should have approval in principle from council.

After much discussion, council finally passed a motion by Kambourff that the town approve in principle the formation of a Junior A hockey team and that it is understood that such a team should not interfere with minor hockey.

Later in the meeting, council was told that the ice should be in the arena around October 12. Councillors White and Kambourff both felt that the arena should be open for public skating at an earlier date. "We have the facility, we might as well use it," was their feeling.

Councillor Russell spoke regarding future condominium proposals. "We should be able to enforce the existing town by-laws in regards to fire protection, pet control and other matters," he said. This is not now the

case. Council was told that condominiums are considered private property and the management has its own regulations. For example, it was pointed out, the town dog control officer cannot enter the grounds to enforce the dog control by-law.

Councillor Lukay said he was going to have a look at the condominium act. "I just cannot see that they are exempt from town by-laws," he said. Councillor Russell's motion that the town have more control, as far as the enforcement of by-laws goes, in future condominiums was carried unanimously.

St. Albert renters will now be able to vote on money by-laws. Meeting in regular session last night, town council unanimously approved third reading of a by-law enabling ALL electors of the town to vote on any or all by-laws requiring the assent of the proprietary electors.

What is a heavy vehicle? According to the town solicitor, "a vehicle weighing one ton or more." The town's legal advisor had prepared a by-law regarding heavy vehicle routes. As Councillor deBruijn pointed out, "if we accept the soli-

## Nomination Day draws near

Nominations will be received at the St. Albert Town Hall next Wednesday, September 15, from 10 a.m. till 12 noon, from those persons seeking office in the October 13 civic elections.

Voters will go to the polls to elect a mayor, six town councillors, two hospital board members and five school trustees. Elected candidates will serve three year terms.

Nomination papers for all offices are available at the Town Hall and candidates need not file them in person. There is no cash deposit required with nominations filed in the town of St. Albert.

Persons are eligible to vote if they are 18 years of age or over, Canadian citizen or British subject and have resided in St. Albert for 12 consecutive months immediately prior to the election, or if they are on the latest assessment roll.

Many people drop in at the Gazette office during the course of a day. Yesterday brought these young visitors, Robin, three and Sean, two, the children of Dr. and Mrs. Peter Smerdon. Busily licking on their ice cream cones, "vanilla, and very good," they looked over the town where they soon hope to be making their home.

The St. Albert Knotties installed a new slate of officers last evening. Serving with president Bette Daley and past-president Marie MacRae are Coral Levang, secretary, Dottie Pollard, treasurer; Judy Anderson, bulletin editor and June Taylor, registrar. Directors are Nore Hille and Elaine Welsh.

## Smith - Gibeau wedding at St. Albert Roman Catholic church

Andrew George Smith, son of Mrs. Marie Smith of Edmonton, married Yvonne Marie Gibeau, eldest daughter of Mr. and Mrs. Oscar Gibeau of St. Albert, at a double ring ceremony performed by the Reverend Father Jake Joly, at St. Albert Roman Catholic church, August 20.

Baskets of white mums and yellow glads decorated the church and pews were marked with white and yellow bows. Mrs. Bertha Kennedy was organist and soloist.

Given in marriage by her father, the bride chose a gown of white polyester crepe. The gown featured

empire waist, bishop sleeves and a delicate white lace trim at the waist and matching choker.

She wore a white foil hat and carried a bouquet of white and yellow roses.

The bride was attended by her sister Leonie. She wore a gown identical to the bride's, in buttercup yellow. A white hat and a bouquet of white and yellow roses completed the ensemble.

The groom was attended by his brother in law, Larry Austin. Guests were ushered by Denis Bedard and Carter Zygmunt.

During the church service, Carmen Gibeau read a letter of St. Paul to the Corinthians and also reading from the book of Genesis.

For her daughter's wedding, Mrs. Gibeau chose a multi-colored chiffon gown, with mauve and white accessories. She wore a white orchid on corsage.

Mrs. Smith wore a multi colored silk crepe dress with white accessories and a white orchid corsage.

A reception was held at the Saxony Motor Inn. Philippe Gibeau, uncle of the bride, was master of ceremonies. Grace was said by the Reverend Father Joly. Morley Brown proposed the toast to the bride.

A wedding dance and social for 175 guests concluded the evening.

editor's definition, then anything bigger than a Volkswagen will be considered a heavy vehicle." It's back to the drawing board for this by-law!

Council received a letter from the firm of Brownlee et al, regarding the Forest Lawn replat. Councillors found that they still could not proceed with the replatting scheme as 100 per cent owner consent has not yet been received. A resolution pertaining to this matter has been drawn up and council is confident the resolution can be proceeded with at its next regular meeting.

## Honda recall does not apply to Canada

The recall of 28,000 Honda 750 4-cylinder motorcycles for chain replacement in the United States does not apply to Canada, a Canadian Honda spokesman said today.

He stated that only 300 units were affected in Canada and the replacement on these machines was completed prior to September of last year, so there was no necessity to recall other machines.

All Honda 750 machines currently sold in Canada are equipped with the heavier chain necessary to accommodate the power of the machine.

## Tennis Topics

In the semi-finals of the B Interclub competition St. Albert moved from third position to second position by defeating Carneau 50-39. This put the team, composed of Clark Warren, Al Hoge, Fred Rudolph, Bernice Parsons, Roberta Parsons and Cynthia Sage in the finals against the Royal Glenora.

In the "home" match, played last Wednesday, St. Albert lost 27-22, winning the ladies doubles, but losing the mixed and mens doubles in close matches. They are scheduled to play the final game on Thursday and the chances of winning at this stage are still quite good since there is only a five point margin now.

In the Garneau Invitational Tournament, held Labor Day weekend, Judy Wood was a finalist in ladies singles and Judy and Cynthia Sage were finalists in ladies doubles. The Mens Secondary A Doubles was a St. Albert final as Roman Murjeka and Max Ostvitz defeated Fred Rudolph and Carter Zygmunt.

The Hillcrest 'B' tournament is to be held this week-

end and anyone wishing entry forms may obtain them from Judy Wood.

Coming up on September 18 and 19 will be the final club tournament for both juniors and seniors. The senior tournament will be started Saturday and will continue on until Sunday. The charge will be \$2.25 for the first event and 25¢ for each additional event. Would anyone wishing to play please call Fred Rudolph at 599-7812 or Dave Kirk at 599-7602 before Wednesday, Sept. 15. The tournament captains will do their best to arrange partners if they are available (you can let Fred or Dave know whether or not you wish them to find you a partner).

The junior tournament will be held on Saturday morning Sept. 18 and there will only be singles. The charge will be 50¢ and there is a big trophy for the winner - please call Bernice Parsons, 599-3803 if interested before Thursday, Sept. 16. (Balls will be supplied).

## Bob Hudson seeks re-election to council

I wish to announce that I will seek re-election to St. Albert Town Council. I have found the past year interesting, challenging and very stimulating. The future holds many exciting possibilities for our town such as anticipated growth well beyond that experienced in the past.

The future also will re-

quire hard, work, dedication, and a common sense approach by your council. These things I will provide to the utmost of my abilities if the voters will honour me by selecting me to represent them.

My wife Pat and I have resided in St. Albert since 1961 and both of our children were born here.

## Cochrane appointed Hallmark dealer

Cochrane Building Contractors of St. Albert have been granted the franchise dealership of Hallmark Pool Corporation, Canada Limited.

This authorizes them to market, install and service Hallmark Fiberglass swimming pools in the area north of highway #16 running east and west through the province of Alberta.

Hallmark offers one of the world's most versatile swimming pools in many designs and sizes for home and commercial use.

These pools are test proven for our climatic conditions and provide year around recreation in one's own yard. The heated pool of summer becomes a skating rink in winter.

Enclosure of the pool and patio area is made possible by means of an inflatable vinyl cover, just with the flick of a switch.

"Who are you working for these days?"

"Same old outfit - my wife and six kids."

## Letter to the Editor

The Editor:

Every fall, along with the start of school, sees the renewal of many youth activities in our community.

These activities, sponsored by many organizations in the community, all seem to have two things in common. First, that they provide a program for the benefit of our young people and secondly, that they require adult help to carry out that program.

The first of these is easily met with many varied programs and the young people

to take part in them, but unfortunately, the second part, the need for adult help, is not always that easy to come by.

This help must logically come from the parents in our community, but unfortunately, the volunteers who sincerely believe in the value of their contribution to young people, often become discouraged and even give up, when the help they need doesn't appear and their appeals go unheard.

I believe that most parents feel a need to bridge the gap between our adult

approach to life, and the more imaginative approach of our young people.

Our community youth programs are built around youths world. Their natural needs and interests. If we take an interest in these programs, our children can make the surprising discovery that we are interested in things that are important to them.

I was prompted to write this letter after overhearing a remark, made by a

group of young people, commenting on the question: "Where is your child tonight," that is asked nightly on TV. Their remark, "Maybe more important would be, 'Where are your parents tonight,'" certainly made me stop and think.

Maybe we could close up that "generation gap" just a little, if both generations could say, "We were doing something together."

A. A. Garvin.

## John Bakker to seek council seat

Last year I had to resign from council two months before the end of my term of office, as I was spending my sabbatical year in Europe. I used this time to study further in my fields of transportation and planning.

Since I am still profoundly interested in the future of St. Albert and since I feel I have a contribution to make I have decided to run again for council in the forthcoming

elections.

Having served on council between 1964 and 1970 as chairman of public works, I have actively participated in formulating many of the planning and development policies now being executed in the town. Also I originated the idea and prepared the necessary briefs regarding a university in or near St. Albert.

I am seeking your support in the October election.

Returning Officer.

The Versailles, a trio of blind Edmonton musicians who recently released their first LP record, "Dancing Varieties." The CNIB is assisting with distribution through its many CaterPlan locations.

## CNIB assists blind in many ways

The Canadian National Institute for the Blind since 1918 has been assisting the blind in many ways and is continually seeking new ideas for employment and recreation.

The Versailles, a trio of blind Edmonton musicians,

recently recorded their first long-playing record called "Dancing Varieties." The CNIB is helping by distributing this album for sale through its various CaterPlan locations.

Over the years the CNIB has been instrumental in assisting individually the three members of this musical group to the extent where they are self-sufficient, respected citizens of the community.

Jim Bennett, vocalist and organist of the trio, is a computer programmer at the University of Alberta.

David Lazaruk, the drummer, is a canteen manager for CaterPlan Services at City Hall in Edmonton.

Bill Owen, originator of the group, plays trumpet. He is field secretary for the CNIB in Northern Alberta.

Thanks to the financial support given to the CNIB by many individuals, clubs, and organizations throughout Alberta, other blind musicians have been able to obtain certificates and degrees in music, complete piano tuning courses, attend educational conferences and benefit in musical careers either full or parttime.

Across Canada October is considered CNIB month, however, in some areas organizations who carry out the canvass for the blind prefer to consider which is the most appropriate time in their own community.

Please watch for the volunteer canvasser in the St. Albert and Sturgeon area.

## Air Cadets offers varied program

Young men, between the ages of 13 - 19 are invited to become better acquainted with the Royal Canadian Air Cadets program, offered locally at the St. Albert community hall, Thursday evenings at 7.

Commanding officer, Captain L. D. Gault stresses that even though there is a military overtone, the main purpose of the movement is to produce good citizens. He notes that the training program covers formation marching and other military aspects and through this, discipline and self control are learned. Captain Gault adds that in using the structure of ranks, a cadet's leadership capabilities and knowledge are recognized by promotion. In this way, the cadet assumes more responsibilities within the squadron and gains personal experience in commanding others.

Some of the courses given to cadets include leadership training, citizenship, photography, communications, flying, effective speaking, first aid, band, educational tours and sports.

The summer holiday program involves a variety of options, such as, two weeks at CFB Frobisher, Eastern Canada and overseas exchange program; senior leaders course in Ontario; powered and glider pilot training; bandsman and bush survival courses. Cadets compete for these, and other courses, during the year.

Change program; senior leaders course in Ontario; powered and glider pilot training; bandsman and bush survival courses. Cadets compete for these, and other courses, during the year.

Captain Gault points out that the cadet is under no obligation to join the Canadian Armed Forces, nor is he pressured to do so by the reserve officers and civilian instructors administering the squadron.

Captain Gault said there has in the past been a slight

reluctance on the part of young men to join the movement because of the "short hair cuts" rule. This regulation has now been relaxed somewhat.

Youths wishing more information are invited to attend the regular weekly parades or phone 599-7277, Thursday evenings only. Letters may be addressed to P. O. Box 125, St. Albert. The 533 St. Albert squadron is sponsored by the St. Albert Lions Club.

## St. Albert Singers to start new program

St. Albert Singers will be launching its fourth season on Thursday evening, Sept. 16 at 8:45 p.m. in the lower hall of the United Church. Newcomers, from high schoolers to grandparents, will find a warm welcome. The St. Albert Singers is a non-denominational choir whose aim is to develop and present good choral music in the community. Variety is the keynote of

the repertoire, and this year's projected program is no exception - everything from the English madrigal and the Palestrina mass to selections from "My Fair Lady."

Last year's highly successful presentation of Part 11 of Handel's Messiah will be continued this year by Part 111. Also included is some Christmas music, and plans to organize again the Community Carol Festival which is growing in participation and popularity year by year.

St. Albert Singers is directed by Lillian Upright. Mrs. Upright will be most happy to answer any inquiries about the Singers at 599-6997.

## St. Albert Youth Bowling to start new season

Registration for youth bowling will take place this Saturday, Sept. 11 at Grandin Bowl in the Shoppers Park from 10 a.m. The 1971-72 bowling season will be supervised by Eric Robinson assisted by Alex Pettigrew and Richard Schuchard.

As in previous years instruction will be given in the techniques of bowling, scoring, team play, bowling etiquette and competition bowling.

The cost will be 75 cents per child per week. (This includes lineage, shoe hire and kitty money). A \$1 registration fee is levied to cover cost of badges and flashes that the bowlers earn during the season and provides membership to the Canadian Youth Bowlers Association.

The 1971-72 program will be similar to the previous season, which included amongst other activities competition bowling at various centres across Northern Alberta, the Folks and

Kids tournament and the Masters championship.

Interested parties may be interested to learn that of 130 registered youth bowlers last season no fewer than 68 entered bowling competitions and that not once did St. Albert fail to bring back at least one first place trophy, in the whole of the season including all end of season finals. As well, each youth bowler earned several badges pertaining to his or her bowling accomplishments in their own class.

Youth bowling is divided into four classes:—  
Peewee bowlers who have not reached age 9 by Dec. 31, 1971.

Bantam - bowlers between 9 and 13 who have not reached 13 by Dec. 31, 1971.

Junior - bowlers between 13 and 17 who have not reached 17 by Dec. 31, 1971.

Senior - bowlers between 17 and 21 who have not reached 21 by Dec. 31, 1971.

This is one sport that does not preclude a child

from entering a competition because of an inability to become proficient. All bowlers entering a competition are only required to bowl over their average, highest over average in each class nominates the bowlers who enter the competitions.

This year all players, youth and adult, will play the "no blow" rule, i.e. each and every pin successfully bowled scores.

Special youth leagues will be formed if the need arises from any school in the district by direct arrangement with the principals or physical education instructors concerned.

Any further information can be obtained by ringing Grandin Bowl - 599-6221 or Eric Robinson, 599-3561.

Youth bowling in St. Albert is sponsored by the St. Albert Breakfast Lions Club, performing a public service for and on behalf of the youth of St. Albert.

### Girls

### Softball Playoffs

The girls softball playoffs, interrupted by the June rains, will be held this Saturday, September 11, beginning at 10 a.m. at diamonds 2 and 3.

Hurricanes will go against Panthers and in the other game it will be Pats versus Cuties.

The final will be held in the afternoon. Moms, dads and brothers are all invited to come out and cheer the girls.

## St. Albert Riders Win

The Alberta 25-mile time trial championship was won on Sunday by John Bryan of George's Cycle in 58' 00". Second was Terry Painter of George's in 1 hour 01' 24" and third was John Rodger of the same team in 1 hour 01' 43".

The junior event was won by Sandy Harris of Velo-Sport Edmonton in 1 hour 04' 46" and the Veteran's award was taken by Tony Raven of St. Albert who is also in Velo Sport in 1 hour 05' 14".

Lee Cameron of St. Albert won the novice category in 1 hour 07' 09" and Geoff Peters, another St. Albert resident, rode the race on a tricycle in 1 hour 14' 27".

The St. Albert Bicycle Club are promoting a series of bicycle races in Grandin Park on Sunday, Sept. 26. The races will all start at the Shoppers' Park and there will be categories for all ages, girls and boys and all

types of bikes.

For further information phone Peter McCaffery at 599-8704.

## Local Fish and Game to hold Hunters Night next Tuesday

The St. Albert Fish and Game Association will hold an evening of demonstrations and discussions of interest to all hunters in the district.

Hunters Night, at the community hall at 8 p.m. on Tuesday, September 14, will feature demonstrations on the cutting of wild meat and mounting of trophies.

Dave Johnston of St. Albert will demonstrate the cutting of game. Using a hind and front of beef, he will show the major cuts and will be happy to answer questions.

How to cape out a big game trophy will be discussed by Marcel Houle, of Edmonton Taxidermy studios. Mr. Houle will show local hunters how to take heads for mounting and will also speak on the care of birds and fish.

Corn Cates will discuss the big game hot spots in the

province this fall. All local hunters who want to find out what's happening this season would be well advised to mark this date on their calendar and plan to attend the Hunters Night.

Membership is not required to attend, and all sportsmen are invited.

CANADIAN-BORN Ferlie Jenkins, star pitcher with the Chicago Cubs of the National Baseball League, says he's shooting for a \$100,000 pay cheque next season. He set the goal recently after achieving his fifth-straight year as a 20-game winner.

"Say, he not only struck you all out, he's really cute too!"

## Application forms for antelope licences made available soon

According to information received from the office of the Alberta minister of Lands and Forests, Alberta antelope population levels remained constant in Region 1, south of the Oldman and South Saskatchewan Rivers, while a decrease in population was recorded north of that area in Fish and Wildlife Region 11.

Aerial survey data completed by the Fish and Wildlife Division during late July indicated a 1971 antelope population in Region 1 of approximately 7,000 antelope. This estimate is similar to the estimate for 1970 indicating average adult over-winter survival with slightly below average kid production. The effects of the severe winter in this region may have been marked by the winter migration of a portion of these antelope into Montana. The season in 1970 in this area resulted in the harvest of 480 male antelope.

A decrease in the antelope population in Region 11 can be directly related to the severe winter of 1970-71 as there was no hunting season in this area in 1970. A decrease of approximately 40 per cent in the antelope population occurred on the Department of National Defence property at Suffield and a decrease of 35 per cent occurred in the remainder of Region 11. The total Region 11 population is estimated at approximately 1,400 antelope. This population decrease can be related to a very low kid production and high over-winter mortality.

A very conservative "male only" antelope sea-

son has been declared for antelope areas A, B, C and F in Region 1 from October 25 to 30. There will be 250 permits for each of the four areas.

Saskatchewan and Montana will issue 3,800 and 26,000 permits respectively. Season dates for Saskatchewan are October 25 to October 30; this will be the first time that Saskatchewan and Alberta have held concurrent seasons. Montana's season dates are expected to be similar to last

year's which were October 11 to November 8.

Antelope licences will be available at \$10 to Alberta residents only. They can be obtained by special application, subject to a draw, similar to previous years. The priority system available to unsuccessful applicants will not be in effect this year. Application forms will be available by mid September at all Fish and Wildlife offices. The deadline, for permit application is October 2.

## St. Albert Bicycle Club

The St. Albert Bicycle Club's regular Wednesday evening races were very well supported last week, more than 20 riders turning up to compete in the 10-mile time trial.

The race was swept by George's Cycle team, with John Bryan finishing first in 22' 34"; John Rodger second in 24' 15" and Terry Painter third with a time of 24' 18".

St. Albert riders finished as follows:

Sixth - Lee Cameron, 26' 17"; eighth - Peter McCaffery, 26' 45"

### TIME TRIALLING

In many sports, especially motor racing, a time trial is a brief, one lap, stint at top speed to determine starting positions in the main race. However, in bicycle racing, time-trialling is a complete race in itself.

Time trials are run on out-and-back courses of set distances, e.g. - 10, 25, 30, 50, 100 miles and 40, 50 and 100 km, and races always finish in the same location as the start to minimize the effects of winds and terrain.

Riders are set off at intervals, usually one minute, and they must not take pace from other riders or from any other vehicle - to do so results in disqualification.

The time trial is often regarded as the hardest form of bicycle racing and

it is also an event which enables the rider to compete against his previous performances.

About 50 riders regularly ride time trials in Alberta. In Britain it is estimated that upwards of 10,000 cyclists compete in time trials each week.

If any of you who have acquired "10 Speed" bicycles would like to ride a time trial, come up to the St. Albert weigh scale on Wednesdays at 6:15 p.m. They'll be glad to help you.

### Ladies Golf

The Sturgeon Ladies Golf Club had three members with pars on the back nine last week as Mary Barnes, Marge McBurney and Tena Bannerman all came in with regulation figures.

In the hidden hole (#2) Mary Barnes was again a winner having the low score. Stephanie Donovan, Pat Christensen and Daphne Anderson tied for the high score.

## ST. ALBERT RECREATION HI — LITES

### JOINT USE AGREEMENT

Secretaries of organizations eligible for accommodation, under the terms of the Joint Use Agreement are reminded that applications must be received as soon as possible if they are to be considered when fall and winter activities are being scheduled. Applications for accommodation should be made, in writing, to the recreation department, Town Hall, St. Albert.

There were numerous articles of clothing, towels, etc. lost and found at the pool this year. These are now in the office of the department of parks and recreation and will be disposed of if not claimed within the next week or so.

### Y NEIGHBORS

The first meeting of the Y Neighbors sponsored by the YWCA will be held in the community hall on Monday, September 20 at 9:30 a.m. and registration will take place at that time.

This two-hour weekly program is mainly for mothers with pre-schoolers though all ladies will be very welcome, whether they have children or not. It will be held each Monday morning for 12 weeks and provides an excellent opportunity to get out and meet people, enjoy an hour's keep fit, a chat over a cup of coffee and a demonstration, a talk or crafts - suggestions for these are welcome. All this for the ladies up-

stairs in the community hall on Perron street while the pre-schoolers are looked after downstairs. Babies should be brought in car beds or collapsible cribs.

The cost will be \$10 for 12 weeks with an additional \$2 for each child to cover the cost of crafts, juice and cookies. YWCA membership is no longer required.

Further information may be obtained by phoning the 'Y' at 422-8176, Extension 25.

### SHAPE UP PROGRAM FOR LADIES

The YWCA is willing to sponsor an evening class for ladies who want to keep or get into shape after the summer.

Please phone the department of recreation at 599-6601 and leave your name and telephone number if you are interested. Depending on the response to this announcement a 10-week course may be arranged.

### YMCA SWIMMING

A 14-week learn-to-swim program for boys and girls of eight and over will start on Tuesday, Sept. 14. The cost is \$14 and includes transportation, a bus leave-

ing St. Albert at approximately 6:15 p.m. for the West End 'Y', bringing the participants back at around 8:30 p.m. To register and for information please phone the South Side Y at 433-5110.

### FIGURE SKATING

There will be a general meeting of the St. Albert Figure Skating Club in the Clubhouse (beside the swimming pool) on Wednesday, Sept. 15 at 7:30 p.m.

At this time it will be possible to pre-register for the programs sponsored by the Figure Skating Club: learn to skate, figure skating and power skating. Everyone interested is invited to attend this meeting when a general outline of next season's activities will be presented.

### ARTS AND CRAFTS

The schedule of fall programs sponsored by the St. Albert Arts and Crafts Guild will be announced shortly. These will include activities for all ages - ceramics, arts and crafts, painting etc.

## Morinville mayor Stapleton to seek re-election

By Rose Mariel

Arthur Stapleton has decided to try for another term as mayor of Morinville in the October civic elections.

Both deputy-mayor Frank Sale and Councillor Vince Curtis will not seek re-election. Mr. Sale commented: "After 10 years of council service, I will look after my own business for the next three. I definitely will not seek re-election."

Mr. Curtis said he has a conflict of interest at the

present time which will not permit him to continue on town council for another term.

Councillors Gilbert Boder, Roger Champagne, Arthur Demers and Ann Maslyk are as yet undecided or preferred not to comment when asked if they would seek re-election.

Thibault school board chairman Matt Te'ier said he definitely will let his name stand for another term and vice-chairman Ann Kryskow indicated she will seek

re-election as well.

Trustees Leon Riopel, Arthur Krauskopf and Guy St. Germain have not yet committed themselves.

Mayor Stapleton noted that a cash deposit or certified cheque in the amount of \$25

must accompany each nomination paper filed.

Nominations will be received at the Town Hall on Wednesday, September 15, from 10 - 12 a.m. Elected candidates will serve three year terms.

## Kluthes hold reunion in Mearns

On August 20 a family gathering at the Mearns recreation centre brought together the Kluthes clan of the area.

The occasion was marked by the visit of Willie Kluthes and his wife Lesa, of Hamburg, Germany. Willy is a brother of August Kluthes and the late Alvin and Joe Kluthes.

Mr. and Mrs. Willy Kluthes flew in from Toronto on August 16, after visiting with their son Michael and his family for a week.

Michael is the owner and operator of Michael's Salon in Toronto. Upon arriving in Edmonton the Kluthes

were met by their other son, Gary, and his wife Sharon. Gary is a hair stylist in Edmonton and the Kluthes own and operate a salon and barbershop in Hamburg.

They left Edmonton again September 2 after enjoying a trip to the Rockies. Mr. Kluthes had been to Canada once before, about 15 years ago, but this was his wife's first time over.

# A look at Canada's employment situation and the U.S.

## Economic measures

With the current phase of higher employment now into its second year, and with the economy so far having picked up only gradually, frustrations over the Canadian employment situation have been close to the surface for some time. The latest evidence of this concern emerged in initial Canadian reactions to the newly announced package of U.S. economic measures.

These moves are clearly far-reaching in consequence both for Canada and the rest of the world, but at this early stage it is almost impossible to judge the outcome. On the two objectives of coping with U.S. domestic wage and price pressures and establishing a more balanced world payments system, there can of course be no guarantee that the U.S. initiatives will achieve what they have set out to do. Developments in this respect will have an important bearing on Canadian employment prospects over the longer run, while the measure of most immediate concern for Canada is the 10 per cent import surcharge; from present indications, this will have an adverse effect on a number of Canadian industries.

Unless some steps can be devised for cushioning the sales and profit impact on the hardest-hit firms, this will almost certainly make a dent in the employment that had seemed to be in prospect over the balance of this year. It should not be overlooked, however, that the Canadian employment trend had begun to develop an upward momentum prior to the U.S. action, and the measures themselves do provide a stimulus to U.S. business activity in general and to continental automobile production in particular.

ular.

Most people have had some contact with the tougher Canadian job market in the last year or so (if not the first hand then indirectly) and there can be no doubt about the priority that has been given to the problem in the general thrust of official economic policies. For policy-makers and public alike, however, precision in assessing the real employment situation is a difficult task.

Through its recent cyclical experience as well as through its longer-term structural development, the Canadian labour market has changed in many ways from that of, say 10 years ago.

A rapid growth in the labour force since 1965 has been fed both by vastly larger numbers of new entrants and by a greater proportion of women at work, linked especially with a big expansion of service employment. Although these developments were largely foreseen, the advent of a business slowdown has nevertheless brought home the real challenge posed by Canada's labour force growth.

Not least among the effects of an increasing proportion of young people in the working force has been the impact of their job requirements on overall seasonal employment swings. This has made accurate assessment of monthly trends extremely difficult, as has the indirect impact of strikes from time to time.

Through the first six months of 1971, the employment trend has firmed a little, showing an average year-on-year growth of almost 2.0 per cent. This is still not sufficient, of course to keep step with the labour force growth, let alone to begin to overtake it. At this stage in a business recovery, however, many business firms are cautious about expanding their payrolls, and are still anxious to trim costs.

Looked at in longer perspective, Canada's record

of employment growth in the last 10 years has been impressive, and some major changes have taken place in the composition of total employment. These changes, it should be noted, were far from a mirror image of the developing pattern of output growth. The big output increases have been registered in the relatively capital-intensive sectors, such as the utilities, mining and some manufacturing industries.

Stemming from these, the amount of direct employment creation was relatively modest, but indirectly they produced a significant expansion in demands for goods and services of all kinds. In the case of the service industries, of course, it is often difficult to increase output without also expanding employment, and these industries have in fact shown a two-thirds increase in jobs over the past 10 years.

Looking ahead, the service sector seems likely to continue to play a key role in the overall employment situation. Increasing demands for more sophisticated business and personal services, as well as for public services such as education and health, will form important growth factors for the period ahead. But employment growth will also depend on the kind of advances made in the goods-producing industries. Just as the whole employment situation benefited in the 1960's from the dynamic effects of progress in a few major industries, so it must be hoped that a momentum will develop around some key areas and thereby generate the kind of expansion of employment that will clearly be needed.

This will take time, however, and even if some inroads into the overall margin of unemployment begin to be made over the next several months, the time horizon for a major improvement still seems to be a fairly long one.

## Appointments announced to Stamp Design Committee

Postmaster General Jean Pierre Cote announced the appointment of two new members to the department's stamp design advisory committee.

They are Samuel C. Nickle of Calgary, who has one of the finest collections of early Canadian stamps and related historical and philatelic material in the country; and Ken Rodmell of Toronto, a design director with many years of experience in the graphic arts, and the recipient of many national and international awards.

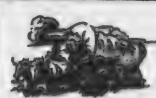

The committee was formed in April 1969 to select the artist-designers for Canada's postage stamps, assign stamp subjects to

them, assess their design submissions and recommend final selection and printing methods for the stamps.

The committee acted as final judges in selecting the 12 Christmas stamps issued in 1970 as a result of the department's Christmas stamp design project

involving Canadian children.

The other six members of the committee are: Honorable George C. Maxler, Charles Gagnon and Carl Mangold, all of Montreal; Christopher Pratt, of St. Mary's Bay, Nfld.; David Silcox of Toronto; and chairman Frank Flatters, of the post office department.

# As I See It

By Rose Martel

This week I would like to pay public tribute to two individuals who have given much during their years of public service.

My first vote of thanks goes to Keith Everitt, retiring MLA for this area.

For the past 12 years Keith Everitt has served the people of this constituency well. True, mistakes have been made, but Mr. Everitt has always made himself available to any individual, or group, at any time and given them a fair hearing. Regardless of political affiliation, he was always ready to make the necessary appointments to meet with ministers of the crown, and help as best he could.

As a back benchman in the Alberta legislature, he was an active committee worker, and his attendance was among the best of any representatives elected. So to you, Keith, and your good wife Thelma, thanks once again, for the long devoted service given.

My second public vote of thanks is dedicated to Deputy Mayor Frank Sale of Morinville, who has served faithfully for the past 11 years. Councillor Sale has been the right arm of the mayor with his knowledge and wise counsel. He has been steadfast for progress and has donated much of his time at the expense of his own business, for the good of the town as a whole, not just a section of it. He always has advocated and has stood for honest administration in town matters.

To you, Councillor Frank Sale, a public vote of thanks for your long years of devoted and honest service.

As I see it: the candidates who will replace these two dedicated public servants in the town of Morinville and in the legislature, will have big shoes to fill.

The people have chosen a new representative for the Alberta Legislature, and many demands will be made of Ernie Jamison, MLA elect. He is ready to listen and learn. We, the public, can do much to help our new member of the Alberta Legislature get acquainted with our local problems and demands, by inviting him to meet with various groups and discuss our views with

him. As for all the candidates who the people will nominate for this coming municipal elections, it is well to remember that they will all represent you, Mr. and Mrs. Taxpayer, for the next three years.

There are two kinds of public servants. . . Those who serve the public with honesty, trust and devotion to the best of their ability. And . . . Those who help themselves and their ambition and greed, at the expense of those who elected them.

The choice is yours on September 15.

## Mitchell-Leahy vows at McDougall

A quiet candlelight service on August 12 united in marriage Harris James Mitchell and Mrs. Phyllis Leahy of Edmonton, formerly of Busby, Alberta. The groom is the son of Mrs. J. L. Mitchell and the late Mr. J. L. Mitchell, of Alameda.

The Reverend Roy Masterson officiated at the ceremony, held at McDougall United Church.

For her wedding, the bride chose a blue-grey suit, complemented by black accessories. Her corsage was of white roses.

The groom was attended by his brother, Edward Mitchell of Kelowna, B.C. Mrs. Edward Mitchell was matron of honor. She wore a salmon pink afternoon frock, white accessories and a cap of white net and flowers.

Sales). Fire completely destroyed their business last July.

Toni Found and Irma Wozney are resting at home after a stay in hospital.

Harvest operations are in full swing and ideal weather conditions last weekend advanced the combining at good speed. The results are disappointing however, as there is much straw, and the yield is much lighter than anticipated in both barley and oats.

Next Friday the students of grade X at Georges P. Vanier High School in Morinville will be initiated in the annual Fresh Day pranks.

The 1970-71 class graduation will be held on Saturday October 23 in the Morinville Centre. Members of the committee are Chairman, Rene Leduc, Members, Elaine Himschoot, Connie Craig, Charlotte Borle, Camille Remillard, Mary Myers and Lynn Champagne.

The bride's mother wore a cream floral gown with white carnations on corsage. The groom's mother chose a pansy-purple ensemble. She wore a corsage of white carnations.

Following the ceremony a reception was held at the King Edward Hotel, Edmonton, for the bridal party and close relatives.

Mr. and Mrs. Harris Mitchell

left on a motor trip to the West Coast, via the Hart Highway. While in B.C. they visited the groom's brother, Bert and family, at Duncan, Vancouver Island. The couple will make their home in Edmonton.

Attending the wedding were the bride's four children, James, Douglas and twins Marlene and Darlene Leahy.

Mr. and Mrs. James Rutherford at their wedding August 14.

## Ceremony unites James Rutherford and Elaine Gravelle

St. Peter's Anglican Church was the scene of a beautiful summer afternoon wedding, August 14, when Rev. Canon Thaine united into marriage Elaine Gravelle, daughter of Mr. and Mrs. Maurice Gravelle, and James Rutherford, son of Mr. and Mrs. James Rutherford, all of St. Albert.

Given in marriage by her father, the bride wore a floor length gown of white peau d'elegance, trimmed with lace and tiny pearls, featuring a high collar, lily point sleeves, and enhanced by a train held with a bow at the waistline. Her train length veil was held by a cap edged with daisies and pearls.

The bride carried a bouquet of red roses, purple status, stephanotis and baby's breath.

The bridal attendants, wearing identical floor length gowns of purple pompadour satin, featuring white

lined detachable hoods and bell sleeves, were maid of honor Jackie Whitton, and bridesmaids Denise Gravelle and Linda Money.

Each carried colonial bouquets of white carnations, purple status and baby's breath.

The groom was attended by Marcel Gravelle, and John Rogers. Shane McMullen was best man.

A beautiful rendition of In My Life was sung during the service by Kathy Grover, accompanied by her husband.

For her daughter's wedding Mrs. Gravelle wore a fitted champagne colored dress with purple accessories and pink roses on corsage. The groom's mother chose a turquoise peau d'chrome ensemble with pink and gold sequin trim, and pink roses on cor-

sage.

The banquet was held at the St. Albert community hall, with Leo Houle, brother-in-law of the bride, acting as master of ceremonies. John Rogers proposed the toast to the bride and Marcel Gravelle, proposed the toast to the bridesmaids.

Congratulatory telegrams were received from Harrogate, England; Modesto, California; Anaheim, California and Port Coquitlam, B.C.

Out of town guests were Mr. and Mrs. Brian Robertson, from Brandon, Manitoba.

A wedding dance concluded the evening.

After a brief honeymoon, Mr. and Mrs. James Rutherford have taken up residence in Edmonton.

## Choirs to organise

Three choirs will be organizing tomorrow, Thursday, Sept. 9, at the United Church.

At 4 p.m. the Junior Choir, children grades 4 - 8, with Lillian Upright and Margaret Cramer.

A new group for older teens, grades 9 - 12, to be led by John Lindley and Mrs. Upright, will rehearse at 6:30 p.m. and at 7:30 p.m. the Senior Choir with Mrs. Upright.

If you enjoy singing, you'll enjoy being a part of one of these choirs.

## Native Friendship Centres to convene in Edmonton

Over 35 Native Friendship Centres from across Canada will be migrating and meeting in Edmonton for its annual conference, to be held Sept. 13 - 17.

The annual meeting has been called by Andrew Bear Robe, National Co-ordinator of Friendship Centres, to deal specifically with the urgent crisis that confronts all urban cities across Canada, namely the increased influx of native people into urban areas.

Since 1955 Native Friendship Centres have been in operation throughout Canada, and have been attempt-

ing to meet the needs of native people migrating from rural to urban areas. There is no doubt of the value of the service which Friendship Centres provide in an age when Canadians are confronted with the problem of growing together, and building a better society in which to live.

The delegates to the conference will be making recommendations to the federal government, as to ways in which Friendship Centres across Canada can help solve the problem of increased native migration into urban areas.

MR. & MRS. EUGENE SLUGOSKI

## Slugoski - Prefontaine nuptials at St. Johns

St. John the Evangelist church was the setting of a beautiful wedding, August 21 when Claudette Prefontaine, daughter of Mr. and Mrs. Frank Prefontaine of Legal became the bride of Eugene Slugoski, son of Mr. and Mrs. Joe Slugoski of Edmonton.

Reverend Father Bednar officiated at the ceremony. The church was decorated with bouquets of pink and white carnations and gladioli.

Given in marriage by her father the bride chose a floor length gown of French silk organza over taffeta featuring a mandarin collar and long sheer sleeves with fitted cuffs. The bodice with its empire waist and bell skirt featured ruffles of floral applique and satin ribbon.

The train also featured floral applique and ribbon. Her four tiered silk illusion veil was held in place by a floral headpiece. She carried a bouquet of a white gladioli and stephanotis.

The bride's attendants were Janette Hinzler and Joanne Slugoski. Cynthia Perlich was flower girl. All wore identical pant dresses of white and pink

floral organza over white peau de sole. They wore flowers in their hair and pink velvet shoes. They all carried bouquets of white stephanotis.

The groom's attendants were Eugene and Laurence Lieber. Ushers were Percy Perlich and Richard Montpetit.

The bride's mother chose a salmon colored dress and coat ensemble with black patent accessories; complemented by a corsage of a white gardenia and stephanotis.

The groom's mother wore a dress and matching jacket of blue and white torkel with black leather accessories complimented by a corsage of a white gardenia and stephanotis.

A banquet was held for 80 guests at the St. Vladimir Parish Hall with 150 enjoying the reception and dance in the evening. Eugene Lieber was master of ceremonies and Roland Demers proposed the toast to the bride.

Mr. and Mrs. Eugene Slugoski will reside in Edmonton.

By Rose Martel

Morinville is on the move, building wise. Five new houses were started last weekend and the new residence of Mr. and Mrs. Ronald St. Laurent is progressing in the southwest end of town.

The Christian Ladies and the Morinville CWL are sponsoring a French and English play school to commence on Sept. 15. The teacher is Vivian Pezer. Interested parents may contact Mrs. A. G. Beland at 256-3559, Mrs. M. Hittinger at 256-2382 or Mrs. Pezer at 256-3254. Deadline for registration is Sept. 10.

The registration of Morinville rangers, guides and brownies will be held at the Notre Dame school (north door at the back of building) on Wednesday, Sept. 8 from 7:30 p.m. until 8:30 p.m. only. Mothers should accompany girls for registration.

The first supper meeting for all members of the Mother's Local for the 1971-72 term will be held at the Morinville Hotel dining room on Wednesday, Sept. 22, beginning at 6:30 p.m. Conveners is Mrs. Ann Orbeck. Phone 256-3476 for details and reservations. All mothers of new brownies, guides or rangers are cordially invited to join and meet there.

Doreen Vervynck was fêted at a miscellaneous bridal shower recently. About 40 ladies attended the event, held at the Morinville Legion Hall. Hostesses were Marg and Diana Vervynck of Edmonton, Stella Boleonnault and Debbie Boleonnault. Also present at the head table were Mrs. Ferd Vervynck and Mrs. Olive Vest, and two grandmothers, Mrs. A. Folier and

Mrs. Ed Vervynck. A wheel barrow filled with flowers was a centerpiece. Games and contests were part of the evening entertainment. After a showing of the beautiful assortment of gifts, Miss Vervynck, wearing a red hot pants ensemble with white trim, thanked her guests and hostesses.

Miss Vervynck was entertained at two other bridal showers in Edmonton, recently. She will become the bride of Kenneth Lessburg on Saturday, Sept. 4.

Karl Maslyk and Maurice Perras returned recently from a holiday trip to the R.C. Interior.

Mrs. Roland Tailleux is home after a recent stay in hospital, where she underwent surgery. Mrs. Irma Woyner, Ed Vervynck and Cheryl Chevigny are patients in hospital.

Harvest operations are in full swing in the entire district and the yields are much lighter than anticipated.

The total enrollment as of Aug. 31 at Thibault schools in Morinville is 598. High school students total 103, junior high 139. The rest are in elementary grades in the yellow and Notre Dame schools. The figures were released by Wilfrid Fitzpatrick, senior principal.

Several more burglaries have been reported this past week. The Morinville MacLeod's store was broken

into, and all cases of wrist watches were emptied. Several farmers have had large amounts of gas and equip-

ment stolen. Many farm homes have been entered with furniture, money and jewellery taken.

## PFRA to provide dugout on Alexander

A dugout with a storage capacity in excess of 1,000,000 gallons will be excavated on the Alexander Indian Reserve under the PFRA Water Development program.

Approval for the community project indicates PFRA will pay the cost of construction, with the Alexander Indian Band Farm Trust organization responsible for installation of a filter system, distribution lines, a power pumping unit, and automatic waterers.

The Alexander Reserve is situated 11 miles west of Morinville. PFRA has been active on this reserve for several years and earlier

this year opened a community pasture which this Department of Regional Economic Expansion agency will operate.

The dugout will measure 200 feet by 100 feet with a 16-foot depth. About 7,000 cubic yards of earth will be excavated under contract.

At present the Indian livestock enterprise draws water from a well where the supply is limited, thus restricting the size of the livestock operation to about 205 head. The new water supply will enable cattle numbers to be increased as well as improving the domestic water supply for 70 residents.
